2.1. INGREDIENTS

Clean Ingredients. Real Results.

Every formula at Dobby is powered by high-performance ingredients sourced responsibly from nature and enhanced by cutting-edge skin science. Think:

- **Niacinamide** for brightening and pore refining
- **Hyaluronic Acid** for deep hydration
- **Vitamin C** for antioxidant protection
- **Botanical extracts** like green tea, chamomile, and centella asiatica to soothe and repair

We say **no** to parabens, sulfates, synthetic fragrance, and animal testing. Because skincare should never come at the cost of your health—or the planet.
